The Bordeaux 60 is the first model of the new CNB Yachts range. Built by CNB; she takes full advantage of extensive design and build expertise in the superyacht sector. The Bordeaux 60 benefits from designs by Briand Yacht Design for the exterior and Couëdel Hugon for the interior.

The Bordeaux 60 combines modernity with original lines, achieving a large number of storage spaces, performance under sail and easy manoeuvring with a reduced crew. From the design department to the workshops, the Bordeaux 60 has been the object of fastidious attention paid to practical details that make life on board easy. Her finish is of the highest quality and no compromise is made on the choice of the best materials.

Each CNB Yacht is the result of the strong relationships forged between the owner and the shipyard. An elegant, refined, comfortable, fast and seaworthy boat, each CNB 60 is unique.
